# YA-11E

## SURGICAL TABLE

Extreme flatten base, easy to clean whole frame, YA-11E with the unique features is a new generation surgical table designed to have a better stability, more access for surgeon to patient, wider space for C-arm operation, etc..

### FEATURES

- 1.The contact area between the base and the ground is large and the stability is extremely strong.
- 2.AISI304 stainless steel construction and chassis, easy to clean
- 3.Polyurethane-shaped mattress, easy to remove and clean
- 4.With horizontal and vertical movement, used for C-arm photography inspection
- 5.Lateral control system integrated into the side column with motion blocking system
- 6.Gas spring for adjusting movements of headrest section
- 7.Equipped with a trolley to move the operating table

ITEM	PARAMETER
Overall size	2150*550*720-1070mm
Back section up/down	72°/32°
Head section up/down	30°/90°
Leg section down	90°
Reverse trendelenburg	25°
Trendelenburg	25°
Lateral tilt left/right	22°
Slide motion	300mm
Kidney elevator mechanism	120mm
Load capacity	275kg

ITEM	PARAMETER
Mattress	1set
Anesthesia screen	1piece
Shoulder support	1pair
Arm board	1pair
Body support	1pair
Leg support	1pair
Foot plate	1pair
Kidney bridge handle	1piece
Hand remote	1piece
Fixing clamp	8pieces

Back section up motion  
72°

Back section down motion  
32°

Reverse trendelenburg  
0-25°

Trendelenburg  
0-25°

Lateral tilt right  
0-22°

Lateral tilt left  
0-22°

Leg section outward  
90°

Head section up  
30°

Head section down  
90°

Slide motion  
300mm

**Base**

The base is in contact with the ground over a large area and has an extreme stability. Meanwhile, the surgeon get more access to the patient with flat base. Moreover, the movement space of the C-arm is increased, which increases the operation space of the C-arm specially for those big machine.

**Column hard top design**

Hard top design, no wrinkles, to avoid trapping dirt and easy for disinfection.

**Handle controller and column controller**

Equipped with hand controller and column controller, the icons are clear and easy to operate.

**Mattress**

Polyurethane molded mattress, waterproof, easy to disinfect and clean. Snap-fastened and easy to remove.

**Mobile Trolley**

The mobile trolley is customized to lift and mobilize the table, with minimum operation, it can lift the table onto the trolley and transfer to a wanted place.
