MK-S10B STAINLESS STEEL INSTRUMENT TABLE

The MK-S10B stainless steel instrument table is designed for the convenient storage and transport of medical instruments and supplies. Its two-tier structure provides ample storage space, while four swivel castors allow easy movement in hospitals and clinics.

Main features

- Made of stainless steel, durable and easy to clean.
- Two spacious shelves provide ample storage space.
- The tubular frame provides stable support for daily use.
- Four swivel castors ensure smooth and flexible mobility.
- Braking castors help keep the table securely positioned when required.

Main details

Spacious Shelves

Two spacious stainless steel shelves provide convenient storage for medical instruments and supplies.

Bent Shelf Edges

Smoothly bent shelf edges help reduce the risk of accidental scratches and provide safer handling during daily use.

Swivel Castors

Four swivel castors provide smooth and flexible movement. The braking mechanism helps keep the table securely positioned during use.
