YA-CT03

STAINLESS STEEL CADAVER TRANSPORT STRETCHER

DESCRIPTION

The YA-CT03 Stainless Steel Cadaver Transport Vehicle with Cover is a reliable and efficient solution designed for the dignified and secure transfer of deceased individuals. Crafted with high-quality stainless steel and equipped with a secure cover, this transport vehicle ensures the utmost respect and protection throughout the transportation process. With its advanced features and durable construction, the YA-CT03 is an essential tool for mortuaries, funeral homes, hospitals, and other facilities involved in handling deceased individuals.

MAIN FEATURES

1. High-quality stainless steel, providing exceptional durability, resistance to corrosion, and a long-lasting surface that withstands daily use.
2. The non-porous nature of stainless steel prevents the accumulation of germs and bacteria, making it an ideal choice for environments where cleanliness is paramount.
3. Built to endure heavy use and exposure to demanding environments, the countertop retains its quality and appearance over time.
4. The smooth surface is effortless to clean and sanitize.
